

# 2022 State of Illinois Tax Rebates

Under the Illinois Family Relief Plan\* passed by the Illinois House and Senate, one-time individual income and property tax rebates will be issued to taxpayers who meet certain income requirements.

**You may be eligible to receive one or both of the following rebates, which are expected to begin being issued the week of September 12.**

## Individual Income Tax Rebate

### How much is the rebate?

If filing as a single person, your rebate amount is \$50.

If filing as a couple (married filing jointly), your rebate amount is \$100 (\$50 per person).

If filing with dependents, you will receive an additional rebate amount of up to \$300 (\$100 per dependent, with a maximum of three).

### You qualify if:

You are an Illinois resident and have filed a 2021 Form IL-1040; and

Your adjusted gross income on your 2021 Form IL-1040 is under \$400,000 (if filing jointly) or under \$200,000 (if filing as a single person).

## Property Tax Rebate

### How much is the rebate?

Your rebate amount is equal to the property tax credit you were qualified to claim on your 2021 IL-1040 (up to a maximum of \$300).

### You qualify if:

You are an Illinois resident, and you paid Illinois property taxes in 2021 on your primary residence in 2020; and

Your adjusted gross income on your 2021 Form IL-1040 is \$500,000 or less (if filing jointly) or \$250,000 or less (if filing as a single person).

# How to Claim Your Illinois Tax Rebates

## No action required in the following two situations:

- If you have already filed your Illinois income tax return for 2021 (IL-1040), you do **not** need to take additional action to receive your individual income tax rebate.
- If you claimed a property tax credit on your Illinois income tax return for 2021 (IL-1040) using Schedule ICR, you do **not** need to take any additional action to receive your property tax rebate.

*Rebate payments will be combined and sent automatically using the same method original refunds were transmitted if they were sent directly to the taxpayer by the State of Illinois.*

## Action required in the following four situations:

- If you are eligible to claim a property tax credit, but did not do so on your Illinois income tax return for 2021 (IL-1040) and Schedule ICR, Illinois Credits, you must complete and submit electronically or by mail, Form IL-1040-PTR, Property Tax Rebate, to receive your property tax rebate.
- If you are not required to file or have not yet filed your Illinois income tax return for 2021 (IL-1040) and want to claim **only** your property tax rebate, you must complete and submit electronically or by mail, Form IL-1040-PTR, Property Tax Rebate.
- If you are not required to file or have not yet filed your Illinois income tax return for 2021 (IL-1040) and want to claim your individual income tax rebate, you must file your 2021 Form IL-1040 and include Schedule IL-E/EIC, Illinois Exemption and Earned Income Credit, to receive the additional rebate amount if you have dependents.
- If you are not required to file or have not yet filed your Illinois income tax return for 2021 (IL-1040) and want to claim **both** your individual income tax rebate **and** your property tax rebate, you must file your 2021 Form IL-1040 with Schedule ICR, Illinois Credits; and if you have dependents, include Schedule IL-E/EIC, Illinois Exemption and Earned Income Credit.
